Katie Welch

Head of Chanel
Marketing

9 W 57th St, Fl 44,
New York, NY 10019

Dear Ms. Katie Welch

I am delighted to be applying for the Fashion Marketing Internship at Chanel. As a Media & Communications major with a Marketing minor at UC San Diego, I acquire skills in content development, communication, and visual design through HTML, Canva, Photoshop, and Google Workplace. My coursework in media analysis and communication culture has developed my understanding of how brands develop an identity when marketing off not just fashion but, art through meaning.

My experience in customer service at Starbucks, Soup Shop, and Pur Bowls showed me to maintain a well rounded environment, communicate clearly, and deliver consistent, best quality service. Through Trend Fashion Club and Women in Business, I learned tools from branding, event organization, and marketing tactics that directly support Chanel's creative and customer focused approach.

I admire Chanel's dedication to innovation and timeless style, and I would be honored to support your marketing team in regards to detail-oriented and creative work. Thank you for your time and consideration; I look forward to the opportunity to move forward on how I could be a potential asset to the team.

Best Regards,

John Doe
